

## THE KINROSS CC KIT VOTE

### THE RESULT.

#### 1. How the result was achieved:

We used a version of the Alternative Vote (AV) system. This is also sometimes known as Instant Run Off or Preferential Voting. It is designed to favour a candidate (or design) that the majority of voters prefer rather than a first past the post system.

You were asked to rank 5 jersey designs (6 including the existing kit) and 5 shorts designs in order of preference from 6 (most liked) to 1 (least liked) for the jersey / existing kit or 5 (most liked) to 1 (least liked) for the shorts.

Once all the results were collected and collated they were subjected to a number of rounds. The item with the least number of first preferences was dropped and the next preference vote was reallocated to items still in the vote.

Voting rounds continued with the least liked item being dropped each time and the next preferred vote being reallocated until one item gained an overall vote of 50% or more of the total vote.

If two or more items tie for last place in a round then the one with the most first preference votes wins through to the next round.

#### 2. And the Winner is:

Out of a total membership of 61, we had 49 votes returned (an excellent turnout of 80%).

##### a. Jersey

Members were asked to choose from 5 new Jersey designs or the existing KCC kit (If the existing kit had won this vote the separate vote for shorts would have been declared invalid as it was decided that a vote for the existing kit was for the pair)

**The winner was *Jersey Option One* beating option 5 by 27 votes to 22 in the final round.**

##### b. Shorts

Members were asked to choose from 5 new Shorts designs. Although the 5 new jerseys & shorts were designed as a set it was decided to have separate votes to allow a mix and to make the selection more flexible.

**The winner was *Shorts Option Five* beating option 1 by 26 votes to 23 in the final round.**

# KINROSS CYCLING CLUB

## c. Second Kit Option

The club had a few suggestions that we have a second kit. A bit like an “away strip”. We also put this to the vote. Had this vote been successful the second most popular jersey and shorts would have become our second kit.

**The Second Kit Option was defeated by 33 votes to 16**

## 3. The New Kit
