Certainly the warmest of our evening events this year so far.

Congratulations to Andy Bruce for setting a new course record of 59 minutes and 47 seconds. Also well done to Callum Sharp for pushing Andy hard for second place. Ken Thomson makes up the top three.

We thought it fairest to all concerned to give Frank Cousins the last time plus a minute as a penalty rather than a DNF (so he can get last place points) as he went straight on at Drum and appeared from the wrong direction. He recorded 42km!

A big thank you once again to Paul Maddocks for organising.

Also an even bigger thank you to our helpers this evening

Paul Zarb (starter / timekeeper, truly omnipresent!)
