27	Ann Malcolm	F SVet	00:33:28	24
28	James White	M Vin	Volunteer	Avg Pt

This event was hastily moved forward a week due to traffic lights on the course preventing us running the scheduled Loch Leven time trial. The Loch Leven TT will now take place on the 9th. July.

Conditions this evening were far from perfect with the conditions deteriorating through the event. What started out as a few spots of rain for the first few riders away turned into a really miserable evening by the time the finish line was reached.

PLEASE NOTE:

John Myerscough's time has been adjusted on appeal. John arrived at the start late due to the late decision to change events. John's original time was based on his bib number and not the actual start time.

Many thanks to our volunteers this evening, hats off to you all for standing about at the roadside in ever worsening conditions. Without these guys our events could not go ahead.

Timekeeper Wayne Roberts

Spotters Anne White & Norman Ellis

Starters /pushers Jane Peden and Graham Gregor

Drum turn Marshall James White.

Recorder Ellah Roberts!
