The planned Loch Leven TT was converted to a second Milnathort 10TT because of persistent roadworks at Vane Farm. Mr Sunshine was in evidence and a moderate westerly breeze, and twenty riders took part on the day. There was some excellent riding and 3 riders went under 25 minutes, with Erik Lornie showing excellent form to take first place in 23:22. Hazel Golda took first place for the ladies in 28:03. Well done Rory for a good ride and for continuing to fly the flag for the juniors.

New faces keep appearing this year and particular thanks to new marshals Alan who marshalled at the end of Burleigh Road, and Rachel who helped Jane out by acting as spotter at the end. Thanks to everyone who helps to make this series happen, by both competing and by helping out.
