Appendix A 2026 Annual Report

It's been another full and positive year for the club. While membership has dipped slightly to 170, we remain a strong, active and welcoming community with a huge amount going on across all disciplines.

Coaching & Development

We kicked off the year with excellent gravel coaching, and more recently MTB coaching with Keith Stocker — both receiving rave reviews. It's fantastic to see members developing new skills and confidence off-road.

Kirsteen Durkin once again led winter training, helping many of us stay motivated through the darker months, with great use of Fife Cycle Park. We've also continued ladies' sessions at the park, building skills and confidence in a supportive environment.

Club Rides & Community

Our weekend rides remain the backbone of the club — reliable, welcoming and varied — joined once again by midweek gravel evenings too. The curry rides to Edinburgh continue to be a highlight (if you haven't tried one yet, you should), alongside the occasional away day.

A huge thank you to all our ride organisers. Without members stepping up each week, these rides simply wouldn't happen.

We were pleased to, support Brad's "Sunday in Hell" gravel event in Kelty, raising funds for the greyhounds, and to back the CUK Glow Ride in October. Despite challenging weather, She Pedals Scotland in June was another proud moment for the club. In August, we enjoyed a brilliant trip to the Chris Hoy Velodrome.

And our bike boxes? Safe to say they've had a well-travelled year — a well-used asset by many members.

Events & Racing Success

The Kinross Sportive was a standout success in 2025— bumper turnout, kind weather and hugely positive feedback. It remains a real asset to the club and a credit to the organising team.

Our club GP TT Series brought Thursday night racing and a social evening to end the season. Congratulations to series winners Ashleigh McManus, Matt Fuller and Lucien Jaquemet-Ross.

It's also been fantastic to see so many members representing the club in the FCA series and beyond. Special congratulations to:

- Miriam Rennet — winner of the FCA women's series and BAR
- Raphael Jaquemet-Ross — winner of the FCA open and junior hill climb titles, Scottish National Junior Hill Climb champion, and best wishes as he joins Spokes Racing Team in 2026
- Well done to everyone putting on the purple jersey this year and representing our club

Whether racing or volunteering, our events depend on members giving their time. A huge thank you to everyone who marshalled, time-kept or supported — these events simply wouldn't run without you.

Awards & Recognition

We wrapped up the year with a brilliant Awards Day at Fife Cycle Park in November — on bike fun followed by cake and celebration. We're proud to recognise achievements across all types of cycling: racing, commuting, most improved rider and the member-voted Rider of the Year. Congratulations to Kirsteen Ross on collecting that prestigious award this year.

Thanks & Looking Ahead

Finally, thank you to the committee — Jane, Neil, Maggie, Brad, Fran, George, Graham, and Kirsteen. Many have given years of service, and their work behind the scenes keeps everything running smoothly.

A special mention to a couple stepping back this year, firstly Fran for managing club kit and overseeing the transition from stock (and all those boxes!) to online ordering. And heartfelt thanks to Maggie and Graham, having covered countless roles over the years between them — their contribution has touched every member of the club.

We'll shortly elect a new committee. If you're not able to step forward this year, perhaps consider it in the future — fresh energy and ideas are always welcome.

Here's to another great year of riding together.
