Loch Leven Time Trail

It was generally decided that this was a good competition and a way of including all members.

The event has been held one this year. It was generally agreed that two more LLTT over the same course be arranged. Winners will be the best combined times of any two.

One event to be held on a Sunday and one on Thursday night.

Action. John M to organise and notify members ASAP

Summer Hill Climb

It was generally agreed to hold a summer hill climb competition.

Action. John M to organise and notify members accordingly ASAP

Club events

It was agreed in principle that the club would organise its own time trial for KCC members only. The obvious course was for around Loch Leven. Roddy to investigate if a suitable loop or deviation can be added so the distance can be made up to 15miles. **Action RP**

Other events

Twa Wee Counties TWC 105km Audax ride starting from Dalmeny and organised by John Myerscough clashed with mother's day and several riders had to withdraw despite the opportunity of starting from Kinross.

The Trossachs Ton in June seemed popular.
